Heb 4:15

Hello kids! Today we are going to learn about what the hypostatic union means. It means Jesus Christ is 100% God and 100% man. The two are not mixed. Remember last week when you learned about kenosis, how He voluntarily gave up His **deity**? Well His deity was still in Him, He just didn't use it. It's the same idea of you owning a toy but you set it aside and don't play with it. It's still yours to play with you just choose not to. Well in His entire being, He was God and man in one. In His human nature, He came down from heaven, was born, died on the cross, paid for all your sins and those of the whole world. Then He rose from the dead, ascended into heaven and is now seated on the right hand of the Father. Whew! He was a **mediator**. Now God is in peace with man. The only time Jesus Christ used His divine nature was to help others. The attitude you have toward others reflects the attitude you have toward Jesus Christ. Let the Holy Spirit be the One you let help you to have this attitude. **Learn His word and His thinking.**
