Rom 5:5

Hello kids! Today we are going to learn more about the sovereignty of the Holy Spirit. Do you remember the lesson from last week? The Holy Spirit has supreme authority - He gets to call the shots. We will continue to learn more about how He affects your life, now that you are a believer. The Holy Spirit, with time, will change how you think about Jesus Christ. He does this by using the word of God. You can't do this on your own. You need His help. Over time the Holy Spirit will **transform** you into the image of Jesus Christ. Wow! He knows when you are ready to learn new things. When you are young you learn simple things that are there for you to build on. As you get older, you learn more **advanced** subjects. Spiritually, the Holy Spirit knows when you are ready to learn more and He will teach you. He knows you personally and knows your weak and strong points. He chooses when as well. God wants you to know that He is taking care of you. God's works in each of us differently. Just relax, take in His word daily. Be ready to say yes!
