## Phi 4:19

Hello kids! Today we are going to learn about how God is changing you! Back about 2000 years ago Adam and Eve was created by God. It created them perfect. They were in God's image, so of course they were perfect. Then they disobeyed God's one rule not to eat from the tree of the knowledge of good and evil. They sinned. But you know God fixed this. He sent His perfect sinless Son to be your payment for your sins, yours and the whole worlds of course. Now that you believe in His Son you are perfect once again! What? I don't look perfect you say. Ahh, but you are looking at yourself with human eyes, God's eyes sees you perfectly. Your perfect self is the new man. God knows your **potential** and wants you to live in it. As you learn the word of God and believe it, and live it, you will see the Holy Spirit making changes in you. It's your faith

growing and trusting in God. God never changes. He is the same today, tomorrow and forever! Some days your parents may change their minds, never about homework though. Well, God wants what's best for you too. He **designed** His plan just for you. The more you grow the more He will show you. Don't rush it, He knows the perfect time to bless you or allow those times of sorrow because He knows you will trust Him more when you've gone through both. Believe me. None of us go through this life without skinned knees or losing someone they love. Just remember God is with you all the time. Sometimes He is in that first person who rushes to you to help you. Pray to God the Father. Tell Him your concerns and thank Him for your blessings. He IS listening! He loves you! He will change you.
