Are Zombies  
& Heaven Real

**Before you begin** this Bible study, If you have never believed in Jesus Christ as your Savior, John 3:16 tells us: "For God so loved the world that He gave His only begotten Son, that whosoever believes in Him, shall not perish, but have eternal life." Simply have faith that Jesus Christ died on the cross for your sins and you will have eternal life and be saved. If you have believed in Jesus Christ as your Savior; then 1 John 1:9 tells us; "If you confess your sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness." ### Promise Memory Verses

Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father but through Me." John 14:6

Some people think that Heaven is a fairytale and that it doesn't really exist. God isn't in the business of making things up. He is veracity and always tells us the truth. It's impossible for Him to lie.

Today, we hear so many lies that it's really hard to know what is true and what is false. Do Zombies really exist? No, people don't come back

to life and suck other people's brains out after they die. How do we know this?

When we studied about Adam, we saw that God created him from dust. When our soul leaves our body, that body eventually turns back into dust. God would never let our worn out bodies spring back to life and kill other people.

When we die, our souls need a place to go. They don't hang around here on earth moaning, throwing books off shelves, or playing the piano inside of old boarded up houses or your basement. Walmart isn't haunted just because you heard a weird noise by the deli when you were grocery shopping.

There is no such thing as a haunted house or even Zombies. Unfortunately, Satan who is a fallen angel and is the father of all lies made up both of those two stories to confuse us about Heaven. He is hoping that nobody goes to Heaven. He is the most miserable creature that God ever created.

If you have believed in Jesus Christ as your Savior, your soul goes to Heaven to live with God forever when you die. God will give you a special new body that can fly without wings and you will be able to go into a room without going through a door or blasting a hole in the wall with dynamite.

Unbelievers are people that don't accept Jesus Christ as their Savior. They never wanted to be around Jesus, so God grants them their wish and sends their souls to an awful place, to be tormented, in a place called Hell (at the end of all human history). It's a fiery furnace where people cry out in constant pain and misery forever. Eventually Satan

will end up there as well. He hates the Lord Jesus Christ and is jealous of Him.

Heaven is far above the clouds and even further away than the moon. It takes a rocket 3 days to reach the moon; we will go to Heaven in the blink of an eye. God will send his special angels to carry our souls to Heaven so we won't be alone or afraid to leave our bodies behind with our family and friends.

When you get to Heaven, you will never be lonely. You will get to see your family and friends who have died and have believed in Jesus Christ as their Savior. You will get to meet Jesus and he will wrap you in His loving arms forever. You are His precious little lamb.

Heaven is full of a light from the glory of God. There will be walls made of beautiful sparkly gems of every color imaginable. The gates will be gigantic pearls. It will have streets made of gold that look like crystal glass. There will be a shimmering river that is so clear that we can see through it. Can you imagine no more muddy brown water?

There will be no germs in Heaven and nobody will ever get sick, with covid-19, cancer, or even the flu. You will never have to worry about wearing braces, glasses, or contacts or growing old.

It's very important to learn Bible Doctrine so you will always be able to tell the truth from a lie. Next week, we will learn some more about Heaven.
